DIOCESAN MISSIONAL MINISTRY COMMITTEE

The brief of the Diocesan Missional Ministry Committee is to draft policy when requested to do so. The Committee is a sub-committee of Standing Committee. Requests for draft policy come through the Bishop. Drafts are submitted to the Bishop, revised by the parties concerned, returned to DMMC for a final drafting and then re-submitted, through the Bishop, to Standing Committee for enactment.

Membership in the committee includes:

The Rev. Canon Tim Delaney	-	chair
The Rev. Paul Williamson		
Ms. Trish Giddens		
The Rev. Oenone Woodhams	-	ex-officio
The Rt. Rev. David Rice	-	ex-officio

The Committee has yet to meet face-to-face, as we have been able to undertake our “ad hoc” work to date through electronic communication. We do not envisage the need to change this pattern in the foreseeable future, as demands on us have so far been light. The Committee responded to one request for draft policy this past year, and has tabled another. The demand for our service may change, however, and we are prepared to meet in conference if required.

The Rev. Canon Tim Delaney
Chair
