Dear Cliff

Below is my report for the Titoki Christian Healing Centre.

It was in 1975 that a motion was introduced by the Rev Selwyn Jones to the Diocese of Waiapu that gave birth to the Titoki Christian Healing Centre. It was the Rev Don Ferguson, vicar of the parish of St. George of Gate Pa Tauranga, who became the first Chaplain and set the vision for the centre. Since then Don's vision "A Vision Given and a Vision Being Fulfilled" has continued to inspire Titoki's healing ministry as it interacts with the church and the community at large. It is so encouraging for the staff as well as the guests to see our Lord healing and restoring those who have come to stay. The pictures around the chapel wall are mute testimonies of those, including priests, missionaries and guests sent for respite care by our Government of the healing restoring power of our Lord Jesus Christ.

There has been a down turn in our economy which is reflected not only in our statistics, but also in the statistics of the Motel industry as a whole. There have, however, been more groups using the facilities at Titoki this current year.

up graded its facilities so that it compares with the top of the line motels. What motels cannot offer is the excellent cuisine produced by our Chef Matt Watchman.

During 2012 couples, Peter and Joke Gerritsen and Bruce and Mary Ford, in obedience to their Lord moved off site. We also had to release Lynn Jackson, our administrator, as Titoki was no longer able to afford her salary. Under Titoki's new management team of Graeme and Cynthia Johnson the expectation is that Titoki will extend its ministry to other needy areas of our community.

Titoki offers:

- Short term stay of one to two weeks.
- A wonderful place for people who are looking for a holiday.
- Wheelchair access to all indoor and outdoor facilities.
- An excellent venue for a training event.
- Personality profiling and assessment which is an ideal tool for team building.
- Healing prayer by trained staff.
- Motel standard accommodation. The whole facility can accommodate up to 30 guests
- Three sumptuous meals a day.
- Homemade snacks for morning tea, afternoon tea and supper.
